

Suzie was created to guide you
through all this pages. Suzie is
young, foolish & unconventional, not
easy to impress. She takes a critical
look on all this very male composers
stuff and she does not like/understand
everything. But she does not care at all
and she took never any lesson in com-
posing or arranging. You should follow
her advice in order to understand
better the oeuvre of this crazy
Swiss guy!

Roberto, Suzie's father - Vicenza, August 2018
